

GLOBAL LEADERSHIP BEGINS WITH YOU

Answer global issues affecting your generation.

Build a local community of international ambassadors.

Challenge each other with critical thinking scenarios.

Demonstrate skills for global leadership.

The Model G20 has empowered thousands of students to make new friends, gain a global perspective, understand other cultures, learn about new career paths, and interact with students from around the world.

mG20 In Action, the official student-run club of the Model G20, is now available in your school.
